

# Verity HealthNet Provider Search Tool

Access your provider search tool with these simple steps.

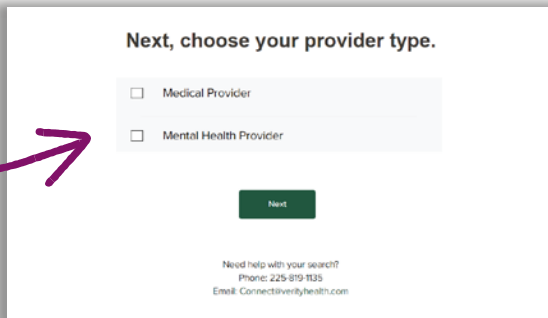

1. Visit **www.verityhealthnet.com** and select “Find A Provider” at the top right corner of the home page.

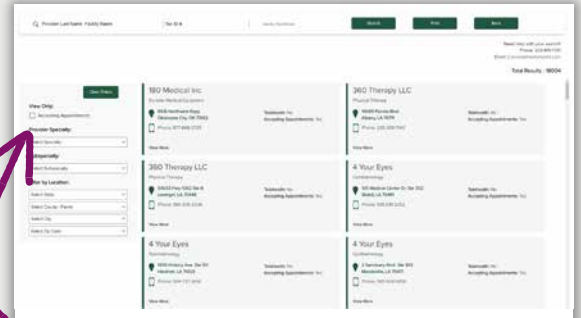

2. Select the **Verity HealthNet** network from the drop-down menu.

3. Select to search for a medical provider or a mental health provider by clicking the box next to the provider type.

4. Verity has added a new section in the left margin where you can easily narrow your search by utilizing some of the key filters, such as provider specialty, name, facility, county or parish.

If you do not find the provider you're looking for, use the “Clear Filter” button to reset and try your search again using less filters! If you still need assistance, please call our customer service team at 225-819-1135 or email [connect@verityhealth.com](mailto:connect@verityhealth.com).
